COMMENTS BY THE THIRD PARTY CFO

Delay in sending out ^{official} receipts is due to the fact we only became aware official receipts had to be used when we received the official package in the mail from Elections Alberta in June. The CFO was out of the country in July. Receipts were ordered in August and issued in September.

No excel file is attached because after a CFO query to Matthew Dennis on September 11, 2012 he said because we only had 13 official receipts that #6 below was not necessary. We trust this is the case.
