<input checked="" type="checkbox"/> <b>Legislative or policy proposal</b> (requires signature from 10% of electors on the post-election day list)	
<input type="checkbox"/> <b>Constitutional referendum proposal</b> (requires signatures from 20% of electors on the post-election day list, with the 20% threshold met in 2/3 of electoral divisions)	
SUBJECT MATTER OF PETITION	
Subject Area of Petition (i.e., title): Alberta Forever Canada	
Description of proposal (attach additional pages if necessary)	
The applicant is motivated by: <ul style="list-style-type: none"><li>The fact that Alberta's separation from Canada is being actively discussed.</li><li>Since a referendum appears to be imminent anyway, it should be objective and not directed by special interest groups.</li><li>Separation will threaten the Canadian as well as the Alberta economy, the personal wealth of Albertan's, the Canadian citizenship rights of Alberta residents, the treaty rights of our First Nations, and have many other serious and negative consequences.</li><li>We believe the majority of Alberta's residents are loyal Canadians opposed to any form of separation.</li></ul>	
Therefore, we as represented by the signatory and applicant below propose a referendum on the following question: <b>Do you agree that Alberta should remain in Canada ?</b>
