

Notice of Recall Petition

L-25-1502
Recall Act
Section 2

Member of Legislative Assembly Named in Petition Justin Wright	Electoral Division Cypress-Medicine Hat
---	--

APPLICANT'S OPINION OF WHY THE RECALL OF THE MEMBER IS WARRANTED

Statement must not exceed 100 words.

I request a recall petition because Justin Wright has failed to represent constituents. He remained silent on eastern slopes coal mining despite significant risks to water and agriculture. He supported use of the notwithstanding clause to remove Charter rights from Albertans without consultation. He shared a story in the Legislature later contradicted by RCMP information and did not clarify it, while ignoring widespread opposition to a provincial police force. He has dismissed constituent concerns and failed to meaningfully address lack of access to health care and rising costs affecting families. Water is life.
