Recall A  
Section

Member of Legislative Assembly Named in Petition

Danielle Smith

Electoral Division

Brooks-Medicine Hat

## APPLICANT'S OPINION OF WHY THE RECALL OF THE MEMBER IS WARRANTED

Statement must not exceed 100 words.

I respectfully request the recall of Danielle Smith, MLA for Brooks - Medicine Hat. Ms. Smith does not live in our community, has no meaningful history here, and has shown little effort to understand the people she was elected to represent. Effective leadership requires genuine connection and consistent engagement, both absent in her tenure. Despite having knowledgeable experts and frontline professionals within her riding, she refuses to consult them, instead advancing policies that weaken public services and promote privatization. Her disregard for local expertise and community voices has left us without accountable leadership. Ms. Smith is no longer fit to serve.
