

Notice of Recall Petition

L-25-1502
Recall Act
Section 2

Member of Legislative Assembly Named in Petition
Peggy Wright (NDP)

Electoral Division
Edmonton-Beverly-Clareview

APPLICANT'S OPINION OF WHY THE RECALL OF THE MEMBER IS WARRANTED

Statement must not exceed 100 words.

Peggy Wright has failed in her fundamental duty to represent Edmonton-Beverly-Clareview. She is routinely inaccessible, does not return emails or calls, and her publicly funded constituency office is frequently closed. When schools and community services faced the loss of education and childcare spaces, she refused to intervene. She misrepresented provincial directives on inappropriate school library materials and publicly supported keeping explicit sexual content accessible to minors. In the applicant's opinion, any lawmaker who distorts such matters or facilitates the exposure of children to sexualized material is unfit for public office and subject to immediate recall.
