Subject: Recall response statement

Gordon McClure, Chief Electoral Officer,

Representing Athabasca-Barrhead-Westlock since 2015 has been an honour. This region is built by hardworking farmers, families, and small businesses, and those values guide my work as MLA. Recently, partisan activists have weaponized recall petitions – legislation meant for serious misconduct, not policy disagreements. My focus remains on delivering results for my constituency, including \$35 million for Barrhead Composite High School, \$16.4 million for Holy Family Catholic School and \$8.6 million for École Mallaig, as well as \$15.8 million for water system infrastructure in Athabasca County and \$70 million for the Athabasca River Bridge. I will never stop fighting for rural Albertans.

Glenn van Dijken, MLA
