

LEGISLATIVE ASSEMBLY
ALBERTA

Honourable Rebecca Schulz
MLA for Calgary-Shaw

Subject: Statement from the Honourable Rebecca Schulz, MLA for Calgary-Shaw

I am honoured to have served the people of Calgary-Shaw since 2019 and to have earned re-election in 2023 — over six years representing the riding. I value the relationships and connections I have built across the community. My constituency office — and the dedicated employees who work with me — take pride in being responsive to constituents as a core duty. In my roles in Children's Services, Municipal Affairs and Environment, I advanced key initiatives: strengthening supports for families and children, improving service delivery, and championing environmental stewardship. In light of this record, I respectfully submit that a recall is unwarranted.

Sincerely,

A black rectangular box redacting the signature of Rebecca Schulz.
