

LEGISLATIVE ASSEMBLY  
ALBERTA

**Adriana LaGrange**

Member of the Legislative Assembly of Alberta  
Red Deer-North

Received

DEC 03 2025

Chief Electoral Office

December 3, 2025

Attention: Gordon McClure, Chief Electoral Officer

During COVID-19, temporary layoffs for education support staff ensured they could access CERB and EI while preserving their continuing contracts. This protected workers from permanent job loss and redirected critical funds to frontline health care.

I was not the Minister of Health when matters now before the courts were negotiated.

For six years I have delivered strong results for Red Deer: the \$1.8-billion hospital expansion with cardiac services, new schools and policing supports, major investments at Red Deer Polytechnic, seniors housing, and community facilities.

I remain committed to integrity, effective representation and servant leadership.

Sincerely

  
Adriana LaGrange  
MLA for Red Deer-North  
Minister of Primary and Preventive Health Services

Speaker Ric McIver
