Subject: Recall Petition Response

Thank you for your letter from December 2nd notifying me of the recall petition being approved. Please see below for my 100-word response to the applicant's statement:

"I was re-elected in 2023 with a larger mandate than in 2019 on a conservative platform, and I strive to represent all constituents while honouring that commitment. In that same election, over 11,000 residents voted NDP, so naturally many will disagree with decisions made by the UCP. That is normal — that is democracy — and I respect their right to disagree. I respect the recall process and look forward to defending my record as MLA and Minister. I remain dedicated to serving Strathcona-Sherwood Park with integrity and diligence, for as long as voters choose to entrust me with this position."

Please incorporate this response in the appropriate section of the Elections Alberta website.

Regards,

Nate Glubish, MLA
Strathcona-Sherwood Park
