Dear Mr. McClure,

Warning: This document contains privileged information from Elections Alberta, and permission from Eberhart may be required before publication.

According to Elections Alberta data, Joshua Eberhart does not vote in provincial elections. The question then becomes how does someone who does not even vote get talked into leading a recall? I believe Mr. Eberhart acts as a proxy for Alberta Resistance, a left-wing activist group weaponizing recall legislation to target UCP MLAs and provoke a general election. This approach contradicts the spirit of recall legislation, and therefore, this application is without merit.

Kind regards,
