## **Elections Alberta recovers lost Poll Book**

EDMONTON – Elections Alberta is pleased to report that we have recovered the missing poll book for the Calgary-Currie Electoral Division.

An elector in the Calgary-Currie Electoral Division received a letter from our office notifying them of the missing poll book Wednesday evening.

The elector contacted our office Thursday afternoon and advised us that they had found the missing poll book and they were keeping it safe at home for us to collect. The Returning Officer collected the poll book later the same evening.

Elections Alberta is an independent office of the Legislative Assembly that provides non-partisan administration of the electoral process.
